

# TEEN DATING VIOLENCE AWARENESS MONTH

## ACTIVITY IDEAS:

- Post signs in school restrooms and hallways promoting TDVAM and to help educate students on what a healthy relationship looks like.
- Since Valentine's Day is in February, have students share, on heart shaped paper, what love looks like to them and display the hearts on walls throughout the school.
- Have the school paper feature an article on TDVAM with ATV's contact information as a go-to resource. ATV is available for questions.
- Share an announcement over the school P.A. system, podcast or beginning of class.
  - Script example: With Valentine's Day around the corner, we'd like to remind you that everyone deserves a safe and healthy relationship. If you or someone you know has a question about a relationship, healthy or unhealthy, please see a guidance counselor or contact Alternatives to Violence at 970-669-5150.
- Make Teen Dating Violence a unit in a health or physical education class. ATV is available to conduct class and assembly presentations. Contact Marigaye Barnes at 970-669-5150 or [marigaye.barnes@alternativestoviolence.org](mailto:marigaye.barnes@alternativestoviolence.org).

**If a student believes she or he may be a victim of teen dating violence or have questions, please refer them to Alternatives to Violence at 970-669-5150 or text 970-669-5157.**
