

# TEEN DATING

## VIOLENCE AWARENESS MONTH

Who are you  
with?  
Call me now.

That makes you  
look ugly.

**THIS ISN'T HEALTHY.**

You suck  
at that.

I don't want  
you seeing  
that person.

**Abuse isn't always physical.**

When someone is controlling or jealous, it could be abuse.

If you have questions on what a healthy relationship looks like, or are a victim of abuse, please call Alternatives to Violence at 970-669-5150 or text 970-669-5157.
